A **vibrant and livable community** at the center of RVA's Midtown area.

LIBBIE MILL EAST BOULEVARD | RICHMOND, VA 23230

Libbie Mill - Midtown is a new vibrant community in the heart of RVA's emerging Midtown area in Henrico County. From the beginning, Gumenick Properties' development team focused not only on the buildings and architecture, but also on the public realm. The developer partnered with Project for Public Spaces to create quality public spaces that contribute to the community's health, happiness, and well-being. Today, the 80-acre mixed-use site offers an eclectic urban community in a convenient location. The design and architecture draw inspiration from Richmond's Fan, Monument Avenue, and Shockoe Slip areas, making Libbie Mill - Midtown an authentic and uniquely livable community in RVA.

Conveniently located within a 15-minute drive of downtown, Short Pump, Southside, Carytown, Northside, and more of Richmond's most exciting destinations, Libbie Mill - Midtown is intentionally positioned with accessibility in mind. Access to I-64 (123,000 VPD) and Broad Street are within sight of the community, allowing both residents and commercial employees to avoid the typical commute associated with being downtown or in the western suburbs of Richmond. Additionally, Libbie Mill - Midtown is just a short walk or bike ride away from the Willow Lawn shopping center, Libbie & Grove, Scott's Addition, and Richmond's new rapid-transit bus system, the GRTC Pulse.

Libbie Mill - Midtown's commercial component is currently zoned for office, retail, and restaurant space. Designed to be both a livable community and a convenient regional destination, this new neighborhood is the perfect location for office and retail establishments seeking a distinctive, familiar, and easy-to-reach location.
